Foamy

A multi-functional foam roller

After a long day of sitting at your computer a good foam rolling will go a long way to get your blood flowing. Could also be used as a lumbar support for your chair. A hidden compartment for storing a water bottle

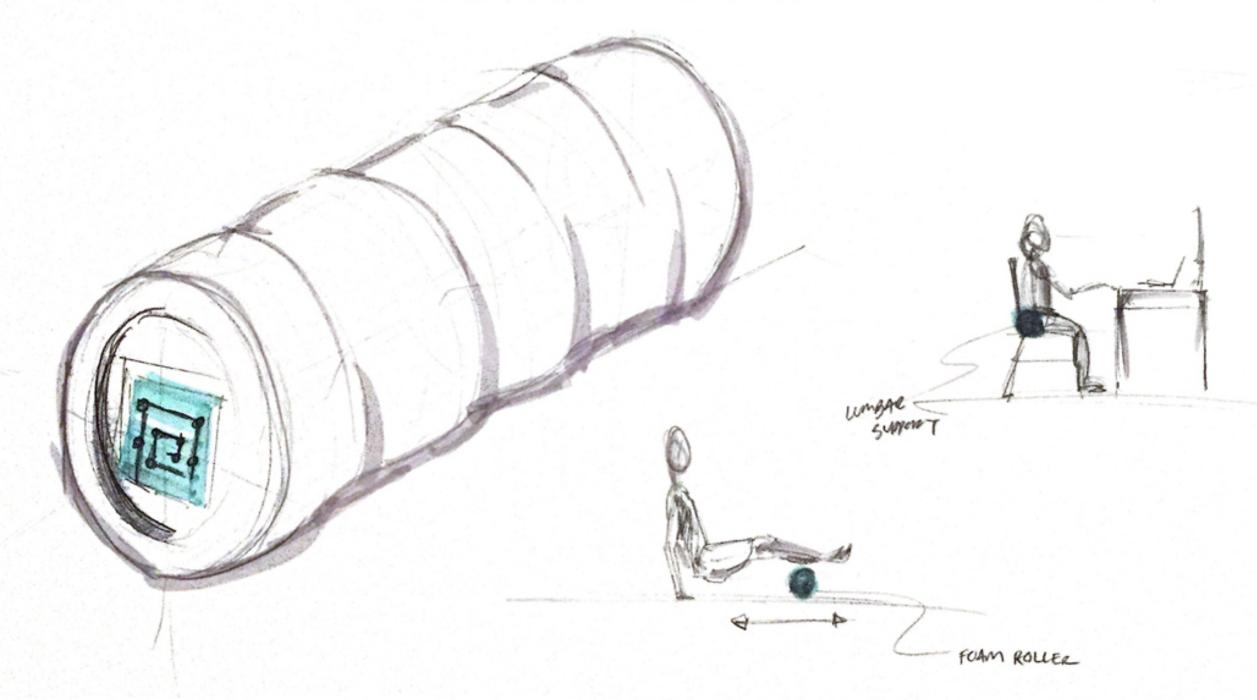

Standard Foam Roller

Tiger Tail

Graduated Color

Track your Prime journey with an interactive graduation certificate

A creative exercise to relax and add a personal touch to your goal of completing the Full Stack Engineering program. Includes a frame to display the work in-progress and upon completion of the program

3D Trinket

PRIME

Custom Prime puzzle printed by Mark!

A desk trinket that is an mult dimensional puzzle. Includes a stand so this can be proudly displayed at your desk alongside your existing supplies and figurines. Not only will you be able to build the puzzle but they will be manufactured by the founder of Prime himself (happy to help with production Mark)
